c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No
d. Are there any other Public Works Wage Decisions related to this project?: No
e. What is the ultimate purpose or functional use of the construction once it is completed?: Re-cabling

6) Classifications of Construction:

Classification Type and Cost Total	Description
General Building (B) Cost: \$83,000.00	Demo approximately 34 existing cables. Install a "J" hook path way in the ceiling for cable support. Install 2 category 6 plenum rated cable to the 45 dual data locations, 4 category 6 cables to the 6 quad locations, 6 cables to the 4 sextet locations, 2 cables to the 2 camera and 10 AP locations as shown on the customer supplied drawings. All cable will home run to the network closet and terminate on new category 6 rated patch panels. At the station side the cable will terminate on a category 6 rated jack. All face plates, cables and patch panel ports will be labeled. All cable will be tested. A 20 year warranty will be provided. Provide As-Builts and test results.
