1) Project Title: ASW 16-192A Volcano Cliffs Well 3 Rehab
Requested Date: 06/21/2023
Approved Date: 06/22/2023
Approved Wage Decision Number: BE-23-1833-H

Wage Decision Expiration Date for Bids: 10/20/2023

2) Physical Location of Jobsite for Project:
Job Site Address: 7231 Atrisco Drive NW
Job Site City: Albuquerque
Job Site County: Bernalillo

3) Contracting Agency Name (Department or Bureau): Albuquerque Bernalillo County Water Utility Authority
Contracting Agency Contact's Name: Rochelle Larson
Contracting Agency Contact's Phone: (505) 861-9664 Ext.

4) Estimated Contract Award Date: 06/21/2023

5) Estimated total project cost: \$139,501.25
a. Are any federal funds involved?: No
b. Does this project involve a building?: No
c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No
d. Are there any other Public Works Wage Decisions related to this project?: No
e. What is the ultimate purpose or functional use of the construction once it is completed?: A rehabilitated pump at Volcano Cliffs Well 3 will provide groundwater supply for the Water Authority's service area. Volcano Cliffs Well 3 pump has been out of service for an extended time and is in need of repair.

6) Classifications of Construction:

Classification Type and Cost Total	Description
Heavy Engineering (H) Cost: \$139,501.25	Repair or replace the pump at Volcano Cliffs Well 3. The project will consist of pulling the well pump from the well, transporting it to the Contractor's shop for teardown and inspection, repairing or replacing the pump as determined from inspection and testing, implementing CCTV survey including ETM casing survey and then re-installing the repaired or new pump. The pump pull and install will require the use of heavy equipment to lift and set the pump, motor, and well house wall panels and roof.
