**Wage Decision Approval Summary**

1) Project Title: RHS/MMS Fire Alarm Upgrades  
Requested Date: 01/31/2022  
Approved Date: 02/01/2022  
Approved Wage Decision Number: SM-22-0284-B

**Wage Decision Expiration Date for Bids: 06/01/2022**

2) Physical Location of Jobsite for Project:  
Job Site Address: 1236 5th Street  
Job Site City: Las Vegas  
Job Site County: San Miguel

3) Contracting Agency Name (Department or Bureau): Las Vegas City Schools  
Contracting Agency Contact's Name: Mari Hillis  
Contracting Agency Contact's Phone: (505) 429-3829 Ext.

4) Estimated Contract Award Date: 01/31/2022

5) Estimated total project cost: \$817,480.23

- a. Are any federal funds involved?: No
- b. Does this project involve a building?: Yes - Fire alarm upgrades will be done to the RHS and MMS school buildings.
- c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No
- d. Are there any other Public Works Wage Decisions related to this project?: No
- e. What is the ultimate purpose or functional use of the construction once it is completed?: The project include Rough-In and installation of a new Notifier fire alarm/voice evac system for RHS/MMS campus. To include buildings: RHS, McFarland, Marr Gym, Quintana, MMS, Maintenance & Transportation. The system will include a completely new EMT conduit and electrical R/I for all new device locations. Existing device locations will be covered with industry standard stainless -steel blanks. Existing system to stay functional until official sign off by state of NM fire marshal's office. Demolition of existing system to include all cabling, devices, and head end components. Project includes a new fiber backbone to all bldgs on campus (reusing existing conduit infrastructure where usable between bldgs). Also included are required PE stamp, NICET review, shop drawings submitted to NM State Fire Marshal, equipment submittals, required UL Listed monitoring for 1 year, programming, testing, commissioning.

6) Classifications of Construction:

Classification Type and Cost Total	Description
<b>General Building (B)</b> <b>Cost: \$817,480.23</b>	The project include Rough-In and installation of a new Notifier fire alarm/voice evac system for RHS/MMS campus. To include buildings: RHS, McFarland, Marr Gym, Quintana, MMS, Maintenance & Transportation. The system will include a completely new EMT conduit and electrical R/I for all new device locations. Existing device locations will be covered with industry standard stainless -steel blanks. Existing system to stay functional until official sign off by state of NM fire marshal's office. Demolition

	of existing system to include all cabling, devices, and head end components. Project includes a new fiber backbone to all bldgs on campus (reusing existing conduit infrastructure where usable between bldgs). Also included are required PE stamp, NICET review, shop drawings submitted to NM State Fire Marshal, equipment submittals, required UL Listed monitoring for 1 year, programming, testing, commissioning.
