**Wage Decision Approval Summary**

1) Project Title: Walker and Simms Reservoir Erosion Control  
Requested Date: 02/01/2022  
Approved Date: 02/02/2022  
Approved Wage Decision Number: BE-22-0288-A/H

**Wage Decision Expiration Date for Bids: 06/02/2022**

2) Physical Location of Jobsite for Project:  
Job Site Address: 10010 Paseo Del Norte NE, Trailhead Rd NE  
Job Site City: Albuquerque  
Job Site County: Bernalillo

3) Contracting Agency Name (Department or Bureau): Albuquerque Bernalillo County Water Utility Authority  
Contracting Agency Contact's Name: Raymond Sandoval  
Contracting Agency Contact's Phone: (505) 289-3267 Ext.

4) Estimated Contract Award Date: 04/01/2022

5) Estimated total project cost: \$142,000.00  
a. Are any federal funds involved?: No  
b. Does this project involve a building?: No  
c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No  
d. Are there any other Public Works Wage Decisions related to this project?: No  
e. What is the ultimate purpose or functional use of the construction once it is completed?: To provide erosion control measures at two reservoir sites where serious erosion has occurred.

**6) Classifications of Construction:**

| <b>Classification Type and Cost Total</b>                | <b>Description</b>                                                                                                                                                                                                       |
|----------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Highway/Utilities (A)</b><br><b>Cost: \$84,000.00</b> | To provide erosion control measures, such as grading and riprap around the Walker Reservoir site. Concrete manhole collars are to be replaced to be above grade. Aluminum plate covers are to be welded with stiffeners. |
| <b>Heavy Engineering (H)</b><br><b>Cost: \$58,000.00</b> | Erosion control measures are to be placed adjacent to the covered Simms reservoir. Including grading, riprap, and large rock placement.                                                                                  |
