4) Estimated Bid Opening Date: 05/02/2022

5) Estimated total project cost: \$65,000.00

a. Are any federal funds involved?: No

b. Does this project involve a building?: Yes - The work will be done on the Old Main Building. The Old Main Building utilities are supplied through the tunnels. These tunnels do not have lighting and the existing vents are no longer working. The purpose of this project is to restore the lighting and ventilation in the tunnels.

c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No

d. Are there any other Public Works Wage Decisions related to this project?: No

e. What is the ultimate purpose or functional use of the construction once it is completed?: The Old Main Building utilities are supplied through the tunnels. These tunnels do not have lighting and the existing vents are no longer working. The purpose of this project is to restore the lighting and ventilation in the tunnels.

6) Classifications of Construction:

Classification Type and Cost Total	Description
General Building (B) Cost: \$65,000.00	The work will be done on the Old Main Building. The Old Main Building utilities are supplied through the tunnels. These tunnels do not have lighting and the existing vents are no longer working. The purpose of this project is to restore the lighting and ventilation in the tunnels.
