6) Classifications of Construction:

Classification Type and Cost Total	Description
General Building (B) Cost: \$643,640.63	The scope of this project is to install a complete and operable door access control system. Millennium will be using the existing wiring that is in place for the electric strikes and automatic door opener. We will install data cable throughout the entire campus to the wireless access control hubs. which will communicate with the wireless door handles. The replacement and repair of doors and hardware is quoted separately.
