a. Are any federal funds involved?: No

b. Does this project involve a building?: Yes - The project is to install Access Control and Video Surveillance at the following Town buildings: Town Hall, Taos Police Station (standalone), Taos Public Library, Taos Youth & Family Center, and Public Works Facility. The services include removing and installing new fire and intrusion alarm panels and related components at the Taos Youth & Family Center.
c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No

d. Are there any other Public Works Wage Decisions related to this project?: No

e. What is the ultimate purpose or functional use of the construction once it is completed?: To secure and control access to various town buildings. Integrating access control and video surveillance provides a higher level of security for town buildings. Access control authorizes and restricts entry while confirming identity. Video surveillance offers reliable visibility into a space. Unifying the systems simplifies operations, improves visibility, and provides more in-depth analytics.
