Wage Decision Approval Summary

1) Project Title: Spruce Tank Booster Station
Requested Date: 09/13/2022
Approved Date: 09/14/2022
Approved Wage Decision Number: DA-22-2276-H

Wage Decision Expiration Date for Bids: 01/12/2023

2) Physical Location of Jobsite for Project:
Job Site Address: 554 N. Telsho
Job Site City: Las Cruces
Job Site County: Dona Ana

3) Contracting Agency Name (Department or Bureau): City of Las Cruces
Contracting Agency Contact's Name: Fernando Ortiz
Contracting Agency Contact's Phone: (575) 528-3533 Ext.

4) Estimated Bid Opening Date: 12/08/2022

5) Estimated total project cost: \$1,746,572.00
a. Are any federal funds involved?: No
b. Does this project involve a building?: No
c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No
d. Are there any other Public Works Wage Decisions related to this project?: No
e. What is the ultimate purpose or functional use of the construction once it is completed?: Install a pre-manufactured booster pump station in pre-manufactured metal building at the Spruce Tank site. This booster pump station will pump water through the existing distribution system to the Loma Vista Tank. The work includes site piping connections, electrical and control, SCADA integration, and a new pressure reducing valve in manhole.

6) Classifications of Construction:

Classification Type and Cost Total	Description
Heavy Engineering (H) Cost: \$1,746,572.00	Install a pre-manufactured booster pump station in pre-manufactured metal building at the Spruce Tank site. This booster pump station will pump water through the existing distribution system to the Loma Vista Tank. The work includes site piping connections, electrical and control, SCADA integration, and a new pressure reducing valve in manhole.
