d. Are there any other Public Works Wage Decisions related to this project?: No
e. What is the ultimate purpose or functional use of the construction once it is completed?: To provide more quality streaming technology for school board meeting to provide access to the public. Will also provide a more accurate retention method for public meetings.

6) Classifications of Construction:

Classification Type and Cost Total	Description
<p>General Building (B) Cost: \$315,927.19</p>	<p>Carlsbad Schools is requesting proposals to upgrade the audiovisual technology in board room. APIC Solutions, Inc has carefully reviewed the project requirements to develop a detailed scope of work and design for the new AV systems. We are pleased to present this proposal for your consideration.</p> <p>The boardroom serves as the primary meeting space for public meetings which require audiovisual presentation technologies including upgraded displays and sound reinforcement. The meetings also require recording and streaming of meetings to a local broadcast or streaming service such as Facebook or YouTube live.</p>
