2) Physical Location of Jobsite for Project:
Job Site Address: 1000 Central Avenue
Job Site City: Los Alamos
Job Site County: Los Alamos

3) Contracting Agency Name (Department or Bureau): Los Alamos County
Contracting Agency Contact's Name: James Martinez
Contracting Agency Contact's Phone: (505) 927-1518 Ext.

4) Estimated Contract Award Date: 07/15/2022

5) Estimated total project cost: \$1,100,000.00
a. Are any federal funds involved?: No
b. Does this project involve a building?: No
c. Is this part of a larger plan for construction on or appurtenant to the property that is subject to this project?: No
d. Are there any other Public Works Wage Decisions related to this project?: No
e. What is the ultimate purpose or functional use of the construction once it is completed?: New water lines and services will be installed in 33rd Street and 34th Street. The existing water lines will be capped and abandoned. This work is to place new infrastructure prior to the roadway construction that is anticipated to begin in FY 2023/24.

6) Classifications of Construction:

Classification Type and Cost Total	Description
Highway/Utilities (A) Cost: \$1,100,000.00	New water lines and services will be installed in 33rd Street and 34th Street. The existing water lines will be capped and abandoned. All existing surface features will be removed and disposed. The trenches in the roadway will be patched with asphalt. Contractor is responsible for compaction testing by a qualified firm and providing test results to project manager. All trenches shall be compacted to 95%. Additive Alternate No. 1 may be included for the the existing sewer crossings beneath 33rd and 34th Streets and in adjacent properties will be reconstructed by pipe bursting.
