6) Classifications of Construction:

<b>Classification Type and Cost Total</b>	<b>Description</b>
<b>General Building (B)</b> <b>Cost: \$266,177.61</b>	This project consists of procuring the long lead-time equipment for an upcoming renovation project at UNMs La Posada Dining Hall building. Plastic sheeting is included to cover the equipment upon receipt and while in storage prior to future install. The equipment includes: 1. One (1) multi-component, Client specified, Jackson WWS Model No. Flightstar-18.5-STM Dishwasher with a Jackson WWS Model No. FS-BD-STM Blower Dryer unit. Freight of the unit to the UNM La Posada Building is included. 2. One (1) roof-top mounted make-up air/energy recovery unit with indirect gas heat and manufacturer provided roof curb, per the Engineer's specification. 3. One (1) mini-split heating and cooling system with roof-top mounted outdoor unit and indoor unit with condensate pump, hard-wired thermostat, and contacts, per the Engineer's specification.
